

Who we are

Woodturners of Olympia is a chapter of the American Association of Woodturners. Our purpose is to foster a wider understanding of woodturning as a traditional and contemporary craft and form of art among the general public, hobbyist turners and professional turners.

At our monthly meetings we provide a gathering place for local woodturners to share ideas and techniques, host demonstrations on the craft of woodturning; provide mentoring opportunities, exchange views about wood, tools, and equipment; and provide access to our growing library of turning resources.

Meeting Dates and Locations

Meetings are regularly scheduled for the fourth Thursday of the month. This may vary depending on holidays and other events.

Meetings are held in the Benoschek Building at the Thurston County Fairgrounds.

WT of Oly meets at the Thurston Co. Fairgrounds.

Meetings begin with a social time at 6:30. The meeting officially starts at 7:00 with a ques-

tion and answer session, an educational speaker or program and a raffle of wood for your turning projects.

We are planning to continue and improve our already impressive record of woodturning programs.

For information on the current location and the program to be featured at our next meeting, go to our website at: www.woodturnersofolympia.org or www.wtooly.org or call Larry Miller at (360) 412-1583.

Group Information

Our new group draws members from the South Sound area of Washington state; Olympia, Lacey, Tumwater, Chehalis, Centralia, Aberdeen and beyond. We are starting with the help and support of the woodturning chapters in Fife and Seattle. We are confident that there is enough interest in our local area to support a club.

The Woodturners of Olympia provides mentoring, education, and fun for anyone interested in woodturning.

- President - Larry Miller
- Vice-President - Al Price
- Secretary - Katy Murray
- Treasurer - Mike Hays
- Director of Membership - Pete Pease
- Director of Communications - Bill Cogswell
